President's Welcome

Thank you for your interest in Pacific Islands University and we welcome you with a warm island greeting. This catalog is just a brief expression of the uniqueness of PIU, where you get the challenge of a great college education within a supportive and nurturing environment designed to help you succeed. I know you have many paths that you can take in your life and we are honored that you are considering walking that journey with the PIU family.

It is difficult to sum up who we are on one catalog page but here are the basics...

PIU is a place of academic excellence. Our liberal and biblical studies programs will prepare you to be a better critical thinker, more thoughtful reader, clearer communicator and more efficient researcher. In a world, and job market, that is changing every day, these skills are very much in demand. It won't be easy. But it will be worth it. A PIU education will not only train you to be a better worker, but also to be a better citizen and a person ready to make a positive contribution to your community.

PIU is a place that provides access to Christian higher education to those who may not otherwise be able to get it. PIU is intentionally in the political center of Micronesia, Guam, so that island people do not need to leave the islands to attend a Christian university. With our combination of volunteers, missionaries and dedicated local workers we are able to keep costs down to make Christian education affordable. My goal is that nobody be denied a Christian education because of finances. In addition we have several levels of remedial education to prepare students, when necessary, for the academic rigor of our programs.

Finally, PIU is a place that will change your life. At PIU you will meet faculty, staff and students who are followers of Jesus and invite you into their lives to join them in that journey. A PIU education is much more than just a download of information. It is a sharing of life skills learned within relationship. Not only will you have the opportunity to get closer to God at PIU, but you will make lifelong friends within the entire PIU family.

If you would like to know more about PIU please come by and visit me, give me a call, send me an email, Facebook me, or Google me and I will be happy to talk with you. My door is always open. I hope to see you on our campus.

Blessings,

David L. Owen PhD

Foundational Information

VISION STATEMENT

Pacific Islands University aspires to be a leader in providing accessible, transformational, quality Christian higher education to the people of Micronesia, to the Pacific Islands, and to the ends of the earth.

PURPOSE & MISSION STATEMENT

PIU exists to provide accessible, excellent, transformational Christian higher education and ministry training to the people of Micronesia, the Pacific islands, and to the ends of the earth. As such, our mission is to prepare men and women with a biblical worldview for leadership and service in life, work, and ministry in the global community and the church.

PIU seeks to accomplish this mission by fulfilling the following institutional objectives arranged in eight major areas of development and growth.

Relationship with God: Through relationship with faculty, staff and fellow students as well as through interaction with the curriculum, we nurture the spiritual life of our students. We do this through the dorm activities and devotional rhythm of campus life, times of spiritual emphasis and retreat, discipleship groups, the emphasis on personal application that is a part of all classes, classes that are devoted especially to spiritual formation, mission trips, worship, chapel services, and by providing deans and chaplains whose primary responsibility is spiritual formation:

- that the student will grow in a loving relationship with God that overflows into Christ-like concern for people and the local and global communities around them.
- that the student will be exposed to and develop positive habits in the practices of the Christian disciplines including worship, prayer, personal devotions, and giving.
- that the student will be encouraged to live as a part of the gathered body of Christ by affiliation with a local congregation during and after his or her college experience.

Christian Character: Through relationship with the faculty, staff and fellow students as well as through interaction with the curriculum, we challenge our students to embrace responsible and accountable lifestyles that reflect a passion for the kingdom of God. We emphasize not only personal character development but also a commitment to issues surrounding justice, righteousness, mercy, and grace in culture and society. Toward this end our students are involved in community service activities, discipleship groups, prison ministry, and class work which emphasize ethics and corporate responsibility:

- that the student will cultivate a lifestyle that honors Christ and is based on the message of scripture.
- that the student will internalize a biblical value system that produces Christ-like character, decisions, and actions.
- that the student will be prepared for life as an individual capable of making well-reasoned and informed choices about values, goals, and careers.
- that the student will demonstrate responsible service and leadership within the context of family, clan, and culture.

Working Knowledge of the Scriptures: Because the Bible is the final authority in all realms of life, we are working to help students develop knowledge and understanding of scripture. We do this by providing graduate and undergraduate degrees in biblical studies which require in-depth study of the Bible, biblical studies minors for students majoring in other areas, and in modeling the use of scripture in chapel and teaching:

- that the student will understand and biblically defend the basics of evangelical theology.
- that the student will study and understand the Bible for him or herself and accurately evaluate diverse interpretations of it.

Biblical Worldview: We want to develop Christian thinkers -- people who understand the world from a biblical point of view. It is not enough to simply understand the Bible; we want our students and graduates to integrate this transformational understanding into all areas of life as members of the global society, island cultures, families, and as individual followers of Christ Jesus. We do this with our emphasis on integration in the classroom and curriculum and by modeling it through the lives and interests of the staff and faculty:

- that the student will develop a biblical worldview that integrates biblical truth with all areas of the curriculum.
- that the student will demonstrate the ability to apply biblical knowledge to the practical problems of life in his or her own culture and as a basis for understanding others, their institutions, and cultures.

Cross-Cultural Skills: As the world grows smaller and as a globalized culture emerges, it is not enough for students to simply be aware of or appreciate other cultures. They need to become culturally fluid so that they can relate to, learn from, and serve in several cultures. We seek to foster a culturally fluid environment by recruiting students and faculty from a wide variety of backgrounds, challenging students to develop relationships with people from other cultures, integrating cross-cultural emphases in all our classes, encouraging students to be a part of a mission team in a different culture, by teaching classes that are particularly focused on cross-cultural communication, through our community English for speakers of other languages (ESOL) classes, and the teaching English as a Second Language (TESL):

- that the student will be exposed to staff, faculty and fellow students from a wide variety of cultural and ethnic backgrounds and understand and appreciate the many worldviews that they represent.
- that the student will grasp the urgency of and participate in the biblical mandate to make disciples of all nations.
- that the student will learn to appreciate art, music, literature, science, and other cultural expressions from around the world.

Competency in Ministry Skills: It is our aim to develop leaders who can serve in the church, community, and around the world; some will exercise their leadership in secular realms and family, others will minister within the church and mission structures; most will become family leaders. We aim to provide skills which will help our graduates serve in many capacities. For those who will be pastors and church leaders we provide classes in pastoral leadership, teaching, preaching, and counseling. We do this on both the graduate and undergraduate levels. Likewise, for those who will serve as missionaries we provide training in Cross-cultural service. For those who will serve in secular professions we teach ethics and skills in communication, business, education, art, and leadership geared toward their needs. We require supervised and reflective field education of all of our students:

- that the student will show competence and have experience in biblical and culturally relevant church ministry inside and outside the institutional church.
- that the student will possess the skills necessary to lead professionally in the church, classroom, and other areas of community service.

Evangelical Cooperation: As a Christian educational institution for members of many different churches and cultures we seek to model the unity of mind, heart, and activity which must characterize the people of God. We do this by

including a diversity of evangelical perspectives of the faculty and staff. We strive to be multi-cultural in faculty, staff, and student recruiting:

- that the student will be mentored and taught by faculty from a wide variety of evangelical perspectives and denominations.
- that the student will be exposed to a wide variety of ministry and worship styles.
- that the student will gain an understanding and appreciation for the diversity of theological viewpoints and practices within the evangelical church.

Intellectual Capability: A developed mind is a critical part of the disciplined life. Recognizing that many of our students come from academically deficient settings we take seriously the challenge of helping them become critical thinkers who have a general understanding of the world, can process information, and solve problems. It is our desire:

- that the student will develop the joy of learning and discovery in all areas of life.
- that the student will gain the background and skills to understand written and oral communication from a wide range of sources and to communicate in the global culture.
- that the student will acquire the broad based higher-order critical thinking, problem-solving, research, organization and communication skills necessary to function in a wide range of careers in a changing world.
- that the student will communicate effectively in speaking, hearing, reading and writing the English language.

Philosophy of Education

Pacific Islands University is an evangelical institution committed to a biblical philosophy of education, centered on the revelation of the triune God, which culminates in Jesus Christ, and has its full understanding only through the Scriptures. PIU is committed to the Bible as God's holy and inerrant Word, and to the integration of all knowledge under its authority. The process of equipping students with a working knowledge of God's Word is based on the conviction that the foundational principles for every area of learning are in the Bible. PIU seeks to stimulate the spiritual development of its students according to the biblical mandate of discipleship, and to provide academic, social, and spiritual resources so students can mature and develop their gifts to serve the Lord.

The study of God's truth as revealed in Scripture and the search for academic truth at PIU are guided by experienced, spiritual, qualified faculty members, who understand that their responsibility as Christian leaders, under the ministry of the Holy Spirit, is to impart biblical truth, and to train students to discern truth. Thus, they assist students to acquire the information, skills, perspectives and commitment necessary for effective Christian service. In addition, the faculty and staff provide an educational environment of Christian integrity and love that enhances and supports the learning experience.

The goal of PIU is to provide servant leaders whose lives are well integrated with a solid, biblical world view and who accept their responsibilities to glorify God and serve their fellow man. Some students will enter vocational Christian service, while others will be a vital testimony in the community and the local church. All are taught to evaluate critically the issues of life against the standard of God's inspired Word.

Statement of Faith

- **The Bible:** We believe that the whole Bible is inspired by the Holy Spirit by verbal, plenary inspiration. It is inerrant in the original autographs. It is the divine authority and infallible rule for faith, life and doctrine.
- **The Trinity:** We believe in one God, eternally existing in three divine persons, Father, Son and Holy Spirit, equal in nature, power and glory.
- **The Father:** We believe that God the Father is spirit, infinite, eternal and unchangeable in His attributes.
- **The Son:** We believe that Jesus Christ is God the Son, that He was begotten of the Holy Spirit, born without sin of the Virgin Mary, lived a sinless life, died on the cross for man's sins, rose again bodily, and ascended to the right hand of the Father, and that He will return in power and glory.
- **The Holy Spirit:** We believe in the personality of the Holy Spirit, that He convicts the world of sin, regenerates the sinner and baptizes, indwells, guides, instructs and empowers believers for godly living and service.
- **Man:** We believe that man was directly created by God in His own image, that he disobeyed and thereby incurred both spiritual and physical death; consequently, all men are sinners by nature and practice and are in need of regeneration by faith in Jesus Christ.
- **Salvation:** We believe that the atoning death of Jesus Christ and His resurrection provide the only ground of justification and salvation for mankind. Only those who receive Jesus Christ by personal faith in Him are born of the Holy Spirit and thereby become children of God.
- **Resurrection:** We believe in the bodily resurrection of all the dead, of the believer to everlasting blessedness and joy with the Lord, and of the unbeliever to judgment and everlasting punishment.
- **The Church:** We believe that the universal Church is composed of all persons who, through faith in Jesus Christ, have been regenerated by the Holy Spirit and are united in the Body of Christ of which He is the Head; that local churches are established for the purpose of worship, instruction, mutual edification and witnessing to the lost.
- **Baptism and Communion:** We believe that Baptism and the Lord's Supper are ordinances instituted by the Lord Jesus Christ to be observed by the Church during this present age. They are visible signs of God's grace but are not to be regarded as a means of salvation.
- **Eschatology:** We believe that the resurrected Christ ascended into heaven and now appears before the Father as our Advocate and Great High Priest; that He will return again personally, bodily, visibly with great power and glory to bring universal peace and righteousness.
- **Christian Service:** We believe that victorious Christian living includes Christian service, the preaching of the Gospel in all parts of the earth, the winning of souls, and the gracious ministry of love and compassion to all.

Notes: In view of controversy regarding the first eleven chapters of Genesis, it is appropriate to clarify the PIU Statement of Faith as follows: We affirm that the people and events of all of the book of Genesis lived and happened;

that is, Adam and Noah were actual men of history, and the creation, fall and flood were historical events. We also believe that the first man Adam did not evolve from simpler creatures, but rather was created by God at a point in time.

PIU believes that Satan and the demonic beings who follow him are adversaries of God, the Church and all mankind. The destiny of all such beings is eternal destruction in hell and as such, no repentance or possibility of salvation remains for such as these. Satan and the powers that follow him, although greater in power than any human being, are not sovereign or in any way equal to God in power, and their doom is certain. PIU accepts the biblical account concerning Satan, along with the demonic beings, on all points, rejecting and refuting all attempts to demythologize or idealize their existence.

History

PIU was founded in 1976 as the Micronesian Institute of Biblical Studies (MIBS) on one of the tiny islands in the middle of Micronesia by Liebenzell Mission and the evangelical churches it planted there to prepare Micronesian citizens for leadership in the church. It soon became apparent that this goal was too narrow and accessibility to its programs by the average Micronesian too difficult. While Micronesians valued the biblical training MIBS provided, they also wanted to know how to apply biblical knowledge for living successfully and for leading and influencing all areas of their society towards permanent solutions, and not just in the church.

Therefore, in 1991, led by its first president Dr. Roland Rauchholz, the school added a new campus on the island of Guam, a more western and accessible location, and MIBS became Pacific Islands Bible College (PIBC). The campus formerly called MIBS on the island of Tol became a branch campus. PIBC began offering certificate and diploma programs in Biblical Studies and thereafter the Associate of Arts and Bachelor of Arts degrees.

Under the leadership of PIBC's second president Dr. William Wood (1995-2002) the Guam campus moved from rented facilities onto its present campus in Mangilao, which was purchased in 1997, and began operations there in the spring of 1999. Current president, Dr. David Owen, assumed the leadership of the school in January of 2003.

In 2004 PIBC received accreditation from the Transnational Association of Christian Colleges and Schools (TRACS), which is recognized by the United States Department of Education (USDE), the Council for Higher Education Accreditation (CHEA), and the International Network for Quality Assurance Agencies in Higher Education (INQAAHE).

This opened up US financial aid opportunities for Micronesian students and set established quality benchmarks for its degree programs. PIBC opened Teaching Facilities on three other islands in Micronesia: Chuuk, Palau, and Yap. Some minors, including Teaching English as a Second Language and Elementary Education were added to the Biblical Studies program. Affordability, accessibility, and relevancy now became important watchwords governing the vision of PIBC.

In February 2009, the Board of Trustees voted to change the name of the school to Pacific Islands University (PIU) to better reflect the growing emphasis on Christian liberal arts education and to acknowledge the graduate level seminary program which was launched in the fall of 2008. Since then there has been the addition of the Certification of Basic English, new practical ministry minors, including Bible Translation, AA & BA programs in Liberal Studies, as well as a certificate in Dive Instruction.

For 38 years PIU has been the leader in providing biblical education to the people of Micronesia and now to an expanding circle of people in the Western Pacific. Today, in response to the changing needs of the island communities in which it serves, PIU is expanding its course offerings, its degree offerings, and its vision to be a leader throughout Guam, Micronesia and the Pacific Region in providing accessible, transformational, and quality higher education.

PIU students come from many different countries and many different religious denominations. Though most of its students are from the Pacific islands, it also welcomes students from other countries in Asia, Africa, Europe, and North and South America. PIU is a place where a student can experience the multi-cultural variety of the global community in a small school environment. At PIU, students, faculty and staff can develop deep relationships in a close campus community.

Accreditation

Pacific Islands University is a member of the Transnational Association of Christian Colleges and Schools (TRACS), having been awarded Accredited Status as a Category II Institution by the TRACS Accreditation Commission on November 8-9, 2004. In 2008, with the addition of the Master of Arts in Religion program, the school became a Category III Institution. On December 8, 2009, the Executive Committee of the TRACS Accreditation Commission, voted to grant Reaffirmation I to Pacific Islands University as a Category III institution. Reaffirmation I is for a ten-year period through 2020. TRACS is recognized by the United States Department of Education (USDE), the Council for Higher Education Accreditation (CHEA) and the International Network for Quality Assurance Agencies in Higher Education (INQAAHE).

Standards of Behavior for PIU Students

Personal spiritual growth is a basic purpose of PIU. The faith, attitudes and behavior of all members of the PIU family need to grow more like Christ inside and outside the classroom. This means that each individual at PIU must agree to accept the word of God as authority and humbly submit in heart, mind and life to our Master, Jesus Christ.

In addition, it is important to learn to live in a community. God calls staff and students from different cultural and church backgrounds. This complicates daily life on PIU campus, for Christians are not in agreement about some aspects of Christian life. The Board of PIU has carefully considered cultural and ecclesiastical concerns and agreed upon some standards of behavior for PIU students. For the sake of maintaining a healthy campus community, PIU specifically prohibits the possession and use of tobacco, illegal drugs, alcohol, and betel nut on school property or at school sponsored activities. Furthermore, PIU expects students to live lives that are consistent with biblical principles. We understand drunkenness, sexual immorality, gossip, slander, profanity, ethnic or cultural discrimination, dishonesty, stealing, plagiarism, etc. to be inconsistent with biblical living. We expect all PIU students to be active participants in the life of a local church and to strive for academic excellence. PIU will attempt to deal with these issues firmly and redemptively. These and other important standards are described further in the Student Handbook and must be followed by each student.

When necessary, there is a policy for rebuke and discipline, also described in the Student Handbook. Any discipline will be based on scriptural principles with the purpose of correcting the quality of our relationships with Christ and with one another. The key to all of this is Christian love, which compels us to submit to God and to one another.

Plagiarism & Academic Honesty

PACIFIC ISLANDS UNIVERSITY DOES NOT TOLERATE ANY FORM OF PLAGIARISM

Plagiarism is defined as using someone else's words or ideas without using quotations marks or citing (identifying) the author, source, and page number of the source. Plagiarism is a form of cheating and is not allowed at PIU. When students use information from a speaker/teacher, books, articles, or the Internet, even if they put the information in their own words, students need to tell where the ideas came from. Plagiarizing any other person's words or ideas carries serious consequences. In English classes, students will learn how to cite quotes and summarize information correctly. They are expected to use these skills in their writing assignments for all classes. Students who willingly allow other students to copy their work are also guilty of plagiarism because they aided in the process. The following steps will be taken when complete or a significant portion of plagiarism is detected in a student's work (partial plagiarism is left up to the discretion of the teacher).

Step One:

1. If a significant section of the final draft of a paper has been plagiarized, the student receives a grade of "zero" on the assignment.
2. A photocopy should be made of the plagiarized work with the areas plagiarized highlighted, and (if possible) the source identified. The plagiarized paper should be placed in the student's file.
3. The pink plagiarism form is given to the registrar who will enter the data into GradPro Student software and then will put the form into the student's file.
4. The student is given a verbal warning and his or her current teachers, the registrar, both Program Chairs and Provost are made aware of the plagiarism.

Step Two

1. The second offense (either in the same class or a different class at any time during his or her PIU studies) where a significant section of the final draft of a paper has been plagiarized, the Program Chair of the specified class or other site authority of the campus is contacted and sets up a meeting with the student.
2. The student will receive a grade of "zero" on the assignment.
3. The pink plagiarism form should be completed and plagiarized work identified, attached and recorded in the student's file as in step one.
4. The student is given a final warning, both verbally and in writing, for plagiarism and that the next instance of plagiarism will result in dismissal from the school for up to two semesters.
5. His or her current teachers, the registrar, Program Chairs and Provost are made aware of the plagiarism.

Step Three

1. If a student is caught plagiarizing a significant portion of a final draft of a paper for the third time (either in the same class or in a different class at any time during his or her PIU studies) he or she may be dismissed from school and blocked from returning for up to two semesters from PIU, the time period to be determined at the discretion of the Provost, in consultation with the Program Chairs.
2. The third and final pink plagiarism slip is completed as in steps one and two and recorded in the student's file, as in steps 1 and 2.
3. The Admissions Committee must approve the student's return, and the student will be required to submit a letter of apology and pledge not to repeat the offense. All conditions apply for reapplication or reentry.

Privacy Rights

PIU's policy regarding school/student communication is that the primary communication link from the university is through the student. FERPA, the Family Educational Rights and Privacy Act of 1974, provides helpful direction concerning all student files, including applicant, academic and personal records. Medical and psychological records are protected through HIPAA, the Health Insurance Portability and Accountability Act of 1996.

- Offices do not release student records to any third party (including parents) unless written authorization is received from the student.
- Some faculty and staff have access to student files as directly related to fulfilling their duties and responsibilities.
- Access of medical records is limited to the Student Life staff only. For the admission process only, the Admissions Committee has access to ensure proper medical testing before admittance.
- Access of psychological records is limited to the Student Life staff (counseling services) only.

For more information regarding student privacy, go to www.ed.gov

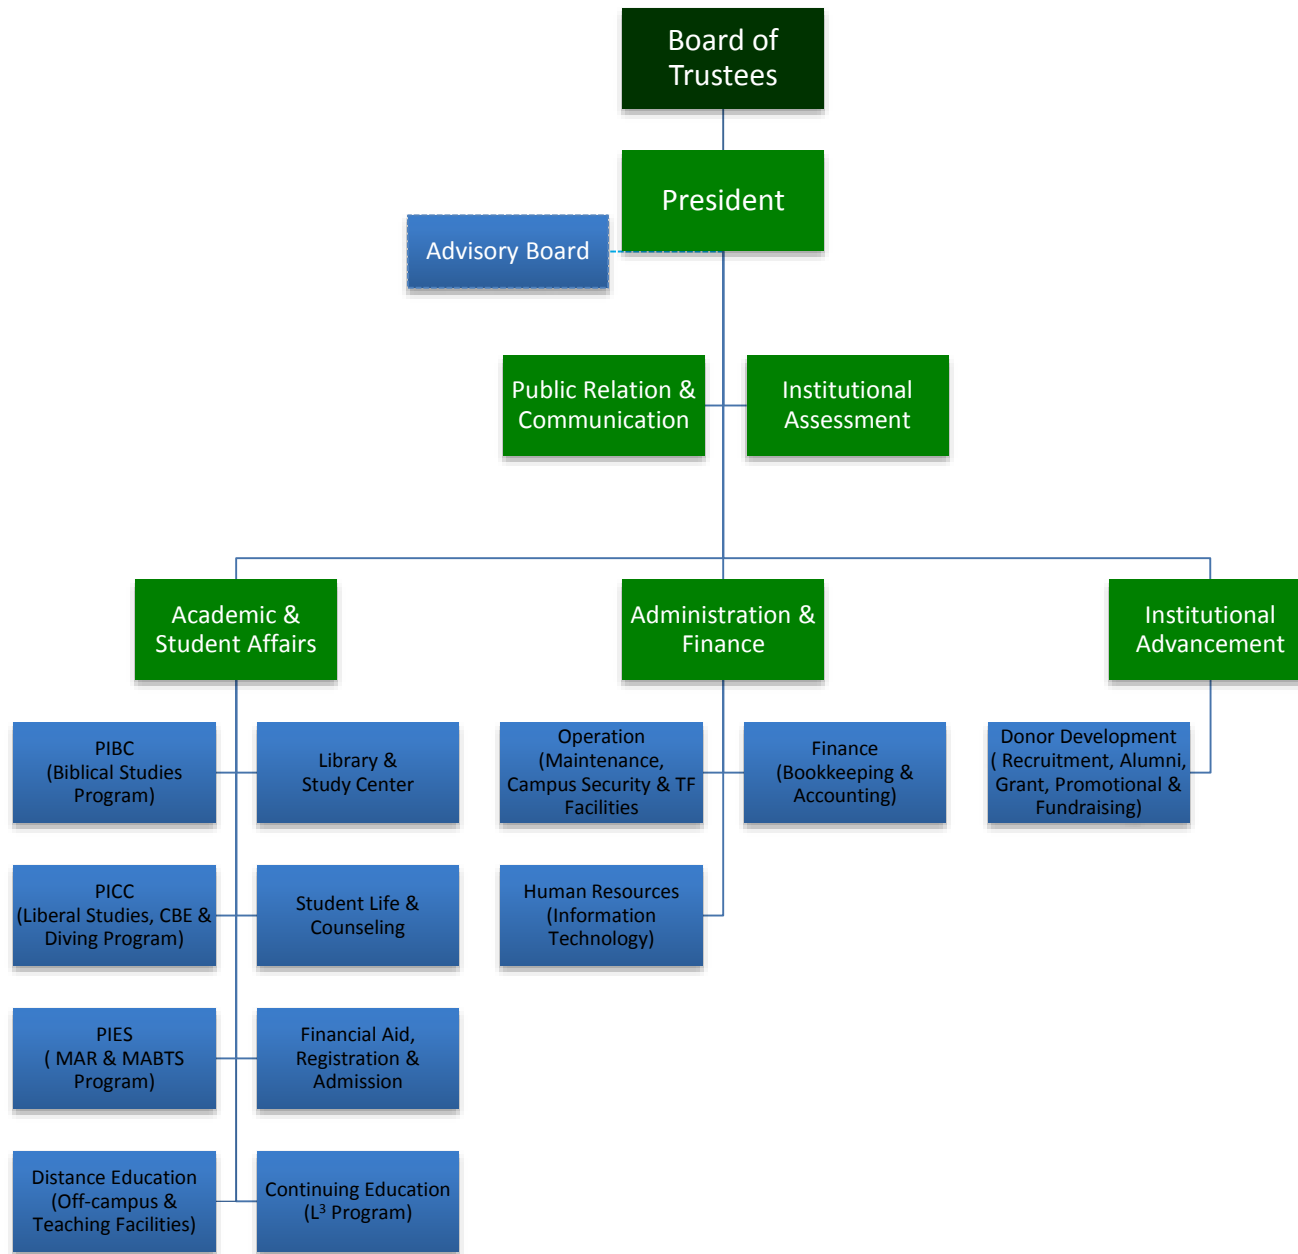

Articulation Information

The university maintains articulation agreements with the following institutions in the Pacific region and the U.S. mainland to provide opportunities for its students to further their education.

1. Palau Community College – Republic of Palau
2. Faithwalk Christian College – Chuuk, Micronesia
3. Guam Community College – Guam, USA
4. New Hope Christian College – Hawaii, USA
5. Bryan College – Tennessee, USA
6. Simpson University – California, USA

POLICY ON DIVERSITY AND NON-DISCRIMINATION

Diversity

PIU has a unique challenge in the area of diversity. The Palau and Yap teaching facilities are each dominated by their local culture. In order to maximize the learning of students and expose them to the diversity that exists in the world, PIU seeks to foster an understanding and appreciation of those elements in every culture which enhance human dignity and are consistent with scriptural teaching.

The Guam campus is situated in a multi-cultural society peopled by representatives of most Micronesian cultures, some Asian cultures, and US military personnel. As a result, the classrooms and dormitories routinely include a variety of cultures. Both students and staff members grow in their appreciation for these diverse cultures as they live together, study together, worship together and resolve the inevitable conflicts in their daily lives.

In addition, PIU has deliberately sought to include local scholars and church leaders among the faculty and staff. The current plan is to have a mixture of expatriate and local staff of PIU. This helps expose students to current developments in evangelical Christianity as well as Christian traditions of a variety of island and Asian cultures.

In all environments, PIU seeks to create an atmosphere in which all believers, regardless of race, color, national origin, gender, age, economic status or physical ability, can pursue knowledge and personal development as they strive toward academic and spiritual maturity.

Non-Discrimination

Pacific Islands University will admit students of any race, national or ethnic background to any of its programs. An admitted student is granted all of the privileges and services associated with PIU, as well as the responsibilities of belonging to this academic community. Thus, PIU maintains a policy of non-discrimination on the basis of race, color, national origin, sex or age as required by Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, and the Age Discrimination Act of 1975 (approved, Board of Trustees, April 2, 1992). PIU is eligible to accept foreign students as approved by the US Department of Homeland Security under the F-1 designation.

As a private religious institution, PIU reserves the right to exercise preference on the basis of its biblical beliefs and conduct in all of its employment practices and student admissions.

UNDERGRADUATE APPLICATION PROCEDURE

Applicants for any non-remedial Certificate, Diploma, Associate of Arts or Bachelor of Arts degree should obtain application materials from any PIU office or the PIU website, and proceed as follows (applicants for the Certificate in Basic English follow the procedure in the section that follows this one):

1. Complete and submit the application form, accompanied by a \$40 non-refundable application fee, before August 10 prior to the Fall Semester (or December 10 prior to the Spring Semester) for which you are applying.
2. Arrange to have an official transcript sent directly to the PIU Admissions Coordinator from the applicant's high school and any post high school institutions and colleges.

3. If English is not your primary language, arrange to send your TOEFL score to PIU. We require a minimum score of 475 on the paper-based test (or equivalent) for admission to our undergraduate programs.
4. Arrange for two personal references to be sent to the PIU Admissions Coordinator: one from the applicant's pastor and one from a current or former teacher or employer.
5. Provide a health report from the applicant's local physician along with an immunization card. (A form is provided in the application packet.)
6. Provide a copy of your birth certificate or passport.
7. Read, sign, and return the Standards of Behavior promise.

All materials must be submitted to the PIU Admissions Coordinator for processing. Applicants who do not plan to complete one of the programs of PIU, but who wish to register for one or more courses, may do so by completing a simple application form at least one week prior to the beginning of the class. See the local registrar for the form.

Upon admission each student will be assigned to an Academic Advisor.

Transfer credit **may** be given for work completed at an accredited institution where the grade was C or higher. We do not normally give full academic transfer credits from unaccredited schools. Transfer students are required to earn a minimum of 60 credits toward their BA degree or Diploma or 36 credits toward their AA or Certificate in Biblical Studies through classes offered by PIU.

NOTE:

1. Re-entry students who are returning to PIU after a voluntary absence of three or more consecutive terms (fall, spring and summer) must apply to be re-admitted. Short application forms are available for re-entry students. Re-entry students should be prepared to provide further information upon request of the Registrar or Academic VP. Students who are returning after a voluntary absence of not greater than a full academic year are still under their original catalog rights. Students who return after an absence of more than one year will have to meet the program and degree requirements of the current catalog.
2. PIU does not guarantee that credit hours earned at any college or university over 7 years prior to the admission date of a student will transfer into a PIU program.

UNDERGRADUATE TAKING SEMINARY / GRADUATE COURSES

Under certain specific circumstances, it may be possible for some undergraduate students to take graduate level courses. The following criteria will apply:

1. The undergraduate student must have accumulated 90 undergraduate credits or more and must have completed any prerequisite/s for the course (except graduate standing).
2. The undergraduate student must have a cumulative grade point average of at least 3.5 and be in good standing.
3. If the student is a non-native speaker of English, he/she must attain the minimum TOEFL score of 550.
4. The undergraduate student must obtain the consent of the graduate course instructor, the undergraduate Academic VP and the Seminary Dean.
5. No undergraduate student may take more than two graduate level courses (6 credits) to be applied to his/her undergraduate degree.
6. Undergraduate students will receive undergraduate credit for any graduate level courses (toward his/her bachelor's degree) unless the course is reserved for graduate credit by the student's request *in writing at the*

time of registration in the class. **Graduate level courses may not be applied to both the undergraduate and graduate degrees.**

CERTIFICATE IN BASIC ENGLISH APPLICATION PROCEDURE

Applicants for the Certificate in Basic English (CBE) should obtain application materials from any PIU office or the PIU website, and proceed as follows:

1. Complete and submit the application form, accompanied by a \$40 non-refundable application fee, before August 10 prior to the Fall Semester (or December 10 prior to the Spring Semester) for which you are applying.
2. Arrange to have an official transcript sent directly to the PIU Admissions Coordinator from the applicant's high school and any post high school institutions and colleges.
3. Arrange to send your TOEFL score to PIU. We require a minimum score of 400 on the paper-based test (or equivalent) for admission to our CBE program.
4. Arrange for a professional reference from a current or former teacher or employer to be sent to the PIU Admissions Coordinator.
5. Provide a health report from the applicant's local physician along with an immunization card. (A form is provided in the application packet.)
6. Provide a copy of your birth certificate or passport.
7. Read, sign, and return the Standards of Behavior promise.

GRADUATE-SEMINARY APPLICATION PROCEDURE

Applicants for the Master of Arts in Religion and Master of Arts in Biblical and Theological Studies degrees should obtain application materials from any PIU office or the PIU website, and proceed as follows:

1. Complete the Application for Admission to the Seminary.
2. Complete the Personal Testimony form.
3. Read, sign, and return the Standards of Behavior promise.
4. Provide a copy of your birth certificate or passport.
5. Provide a recent picture of yourself.
6. Provide a copy of your immunization card and a valid documentation of your tuberculin skin test result conducted within 6 months prior to entry into the Seminary program.
7. Send all of these along with \$40.00 to PIU Office on Guam Campus.

GRADUATE ADMISSION REQUIREMENTS

(Note: For each of the following items, please include with the form a business-sized envelope [already addressed to PIU, 172 Kinney's Road, Mangilao, Guam 96913 USA] and with correct postage in place. Then the person can send the completed form directly to PIU.)

1. Official transcripts from any and all post-secondary schools (undergraduate and graduate levels) you may have attended.
2. Pastoral Reference from a pastor of your church.
3. Professional Reference either from an employer or supervisor.
4. Academic Reference from a college teacher who knows your abilities.
5. Official report of your score on the TOEFL exam if your first language is not English. We require a minimum score of 550 (or 79 on the Internet-based test) for admission to our graduate programs.

Applicants shall normally hold a baccalaureate degree in one or more United States Department of Education (USDE) recognized accredited programs or its equivalent with a minimum grade point average of 2.5 for admission to the graduate seminary program.

Special Student

1. Applicants not holding such a baccalaureate degree or its equivalent may apply to the PIU graduate level programs as a Special Student on probationary status. Only a limited number of applicants will be admitted as Special Students (not more than 10% of the total seminary student body). Acceptance will be based upon the following criteria:
 - a. Applicants must submit a research essay of at least five pages in length on a biblical or theological topic to the Seminary Dean in order to demonstrate capability of graduate level writing.
 - b. Applicants must demonstrate in a letter to the Seminary Dean the infeasibility of completing a baccalaureate degree.
 - c. Applicants must have demonstrated ministry gifts and potential.
2. Applicants who did not reach the minimum TOEFL score may be considered as special students.
3. Upon the completion of a year of satisfactory work and the removal of any deficiencies, special students may be granted regular standing through successful completion of the process of evaluation for continuation in Seminary studies.

ADMISSION UNDER SPECIAL CIRCUMSTANCES

Conditional Admission:

At PIU/PIES, we understand that special transportation, communication, and other circumstances may arise that create the need for offering occasional conditional admission. A student *may* be considered for conditional admission if one of the following situations exists:

1. The student's application package is incomplete and the semester will begin before all documents can be received.
2. The student has taken the English TOEFL test, but the official score has not been received by the start of the semester at PIU *and* an examination of transcripts and telephone interview with the Academic VP or head of the English department deems conditional admission is appropriate.
3. Non-program students who desire to take courses for personal growth and/or spiritual enrichment.

Students admitted conditionally must meet all regular admission requirements before being accepted as program students. Students who desire admission in a regular program at PIU/PIES must provide all documents to complete the formal application packet before enrolling in additional semesters (cases 1 and 2 above).

REMEDIAL ENGLISH POLICY

Students who do not meet entrance requirements fully (475 on the Institutional TOEFL or its equivalent) at the time of admission, but who demonstrate likelihood of success through their personal references, face-to-face interviews, or other factors (and score a 400 on the Institutional TOEFL or its equivalent) are termed “Remedial” students.

All Remedial students are accorded probationary status when admitted and are officially notified of this status through their letter of acceptance. Students with documented weaknesses in English will be tested by PIU upon admission and retested at the conclusion of their first semester of study to seek evidence of appropriate progress as well as at the conclusion of their second semester as a Remedial student (if needed). At the conclusion of the first year of study, the Admissions Committee will evaluate the student’s academic, linguistic, and spiritual progress and make decisions regarding retention, granting regular status, or continuing probationary status. PIU offers formal ESL classes for Remedial students who have deficiencies in English. Remedial I program admits students with a TOEFL score of 400-434 and Remedial II program admits students with a TOEFL score of 435-474 at which point all courses taken will be ESL classes.

The student is removed from Remedial status when he/she receives a score of 475 or above on the Institutional TOEFL, or its equivalent, either after completing the first or second semester.

PROCESS FOR APPEALING ACADEMIC STATUS / ACADEMIC PROBATION

Students who are admitted under Conditional or Probationary Status, or under the remedial policy may appeal their academic status as listed under those sections of the catalog. Students returning after being dismissed for Academic OR Disciplinary reasons must reapply to PIU and are subject to any terms listed in their letter of dismissal and/or recommendations of the Academic VP and/or the Student Life Director.

There is a process in place that dictates how Academic Probationary status is dealt with, and it is as follows:

1. After one semester of earning a GPA of less than 2.0, a student will be put on Academic Probation for the following semester.
 - a. During the semester of Academic Probation, the student must meet one of the Chairs a minimum of two times.
 - b. The student must have his/her instructors complete a grade check form twice during the semester of Academic Probation and submit the completed form to one of the Chairs.
 - c. The student must follow any further recommendations made by the Academic VP (such as tutoring or meeting with specific instructors for additional assistance) that are made to help the student to improve his/her chances for academic success.
2. After one semester on Academic Probation, the Academic VP will review the students’ grades for that semester with the Registrar.
 - a. Students who earned a GPA of 2.0 or higher will be removed from Academic Probation and will be allowed to re-enroll for the following semester with good academic standing.
 - b. Students who earned a GPA of less than 2.0 will receive a letter of temporary dismissal for a minimum of one semester. These students are eligible to petition for re-admission after taking a semester off. They must contact the university and request re-admission in writing, including their understanding

and/or explanation for their previous academic failure, and an explanation of what they will do differently to ensure success upon their return to PIU. There is no need to complete a new application for admission.

- c. Students who submit a request for re-admission after more than one semester off must also complete a letter requesting re-admission, including their understanding and/or explanation for their previous academic failure, and an explanation of what they will do differently to ensure success upon their return to PIU. In addition, students who apply for re-admission after more than one semester off must complete a re-entry application packet.
- d. All students returning to PIU after being dismissed for academic failure will be on Academic Probation for the first semester they return and must fulfill all the requirements of any student on Academic Probation (see #1 above).
- e. If a student returning after being dismissed for academic failure does not fulfill these requirements and/or fails to attain a GPA of 2.0 or higher, he/she will be dismissed again for academic failure. Length of time away and possibility of re-admission will be determined by the Admissions Committee, who will have to review a newly completed application packet and the possibility of academic success should the student be allowed to return.

NOTE: Any student who feels he/she has been placed on Academic Probation or dismissed unfairly has the right to appeal to the Admissions Committee for a re-evaluation of the circumstances. The decision of the Admissions Committee in these cases will be final.

ADD / DROP POLICY

A student who desires to make a change in his or her schedule may do so **during the first week of classes only**. Add/Drop forms are available in the office and must be completed by the student requesting the change. This form must be signed by the instructor of the class being dropped **and** by the instructor of the class being added. There is no fee for this service.

Students are cautioned to consider their decisions carefully before requesting a course change as there is no guarantee that a class dropped may be re-added if the student changes his or her mind after the class has been dropped.

WITHDRAWAL AND ABSENCES

WITHDRAWAL

A student who officially withdraws from a course after the first week and before the tenth week of classes will receive a "W" entry on his or her permanent record. No grade points are entered for the course. Official withdrawal after the ninth week of classes will result in a grade other than "W" with grade points counted toward the cumulative GPA.

A student unofficially withdraws if he or she is absent from classes for more than three succeeding class sessions. Exception: The student informs the registrar's office in writing about his or her absence and gets permission from the instructor and the Academic VP to be absent.

A withdrawing student is required to complete a withdrawal form which can be obtained from the PIU Business Office. The date of the withdrawal is the same as the date the Business Office receives the signed form from the student.

ABSENCES

As described above a student who is absent for more than three succeeding class sessions is unofficially withdrawn from the class. Once a student has missed the fourth consecutive class (without communicating with the instructor or registrar), the instructor will contact the registrar to initiate the withdrawal process. Students must be present in a bare minimum of 75% of the classes in order to receive a passing grade. Three tardiness are equal to one absence in all classes. Individual instructors have the latitude to develop more strict policies for individual classes at their discretion. Thus, individual class policies may be stricter than this absolute minimum attendance policy. Students need to refer to each course's syllabus for that teacher's attendance policy.

ATTENDANCE POLICY FOR ONLINE CLASSES

Students are required to attend classes during the first week of classes. Class attendance is defined as logging into the main class page (not the front page of PIU DE).

- At the end of the first week of each class, the course will be reviewed to determine if the student has attended. If the student had not attended, the student will be dropped from the course roster and will **not be allowed to submit further course work**.
- Students are expected to submit tests and course work throughout the semester. Students who begin attendance, but then cease submitting assignments and lack participating in required activities for two (2) consecutive weeks without consulting the instructor will be subject to the **Unofficial Withdrawal Procedure** which includes the reduction and/or return of all financial aid.

Pacific Islands Bible College

Undergraduate Academic Programs

As the first school within PIU, PIBC offers four different, yet interrelated undergraduate programs of study:

- Certificate in Biblical Studies (CBS)
- Diploma in Biblical Studies (DipBS)
- Associate of Arts Degree in Biblical Studies (AABS)
- Bachelor of Arts Degree in Biblical Studies (BABS)

Biblical Studies Purpose Statement

The Undergraduate Bible Program of Pacific Islands University exists to provide students with Christian character, a sound knowledge of the English Bible, a love for God and people, and the skills appropriate for ministry in the local church, mission field, and other Christian ministry or to represent God in a market place vocation.

The Associate of Arts in Biblical Studies program graduate will show evidence of a transformed life manifested in love for God and others and development of a heart passion and spiritual disciplines to become more like Jesus. The Associate of Arts graduate will have a solid foundation for the understanding and biblical defense of the basics of evangelical theology, and formation of a biblical world view. The AA graduate will have experienced training and exposure to Christian ministry along with sufficient general education to enable the process of becoming a critical thinker, who has a general understanding of the world, can process information, and solve problems; the graduate will be prepared to complete a higher degree in the future.</p> |
| <p>4. The Bachelor of Arts in Biblical Studies Program graduate will show evidence of a transformed life manifested in love for God and others and development of a heart passion and spiritual disciplines to become more like Jesus. The BA graduate will have a working knowledge of the Bible and evangelical theology with training, experience and ability to study, communicate, and defend its truths in at least one area of professional ministry and the ability to be a critical thinker who has a general understanding of the world, can process information, and solve problems on the basis of a biblical worldview.</p> |

All four programs are designed to fulfill the goals and objectives of PIU as described on pages 2-4 in this catalog. The individual programs differ in the number of credits required for completion. The CBS, DipBS, and AA degree programs require two English classes and the BA degree requires three English classes. Both the AA and BA degrees have additional general education requirements. General Education courses may be completed at PIU or transferred to PIU from any accredited institution, including the University of Guam, Guam Community College, College of Micronesia, and Palau Community College.

Students will be assisted in selecting the program that best meets their needs. Transfer from one program to another is possible at any time. A student shall complete a minimum of 60 credits toward their BA degree or Diploma or 36 credits toward their AA or Certificate in Biblical Studies through classes offered by PIU.

CERTIFICATE IN BIBLICAL STUDIES (CBS) (54 semester hours/credits)

This program provides students with a solid foundation in Bible and Theology. It is appropriate either for students who desire a short but intensive Bible program or for Christian men and women already involved in full-time or part-time church ministries. By taking two semesters with 15 credit hours and two semesters with 12 credit hours, a motivated student can complete the requirements for the Certificate in Biblical Studies in two years. Students completing the Certificate program may also transfer credits to the Diploma or Bachelor of Arts programs if desired.

Minor (18 credit hours, including 400 level FEDU class – See below):

Required Field Education:

FEDU 101, 201, 202 Field Education

BACHELOR OF ARTS IN BIBLICAL STUDIES: MINORS

When students graduate from PIBC and move into the workplace, they are asked to fill many roles—as teachers, church workers, government employees, and others. While PIBC’s goal is for all students to have a Bible major, we also want to be responsive to the student’s vocational needs. Thus each student must select a minor consisting of 18 hours of related coursework. Nine minors are currently available, each with a different focus. Descriptions of minors, the types of students who might select them and the needed courses to fulfill are found below. Students are strongly encouraged to choose their minor by the end of their second year.

NOTE: Practicum/Internship: The FEDU 101, 201, and 202 Ministry courses AND all minor courses must be completed prior to the student enrolling in his/her 400 level internship OR the final minor course may be completed concurrently with the 400 level internship. Based on developing vocational interests as students complete this minor, a FEDU 400-level internship will be arranged (usually within a congregation, business, or school).

Bible Translation Minor

Minor Description: This minor emphasizes the specific skills needed for Bible translation.

Courses Required:

BIBL 302	Beginning New Testament Greek
Either	BIBL 303 Intermediate New Testament Greek or COMM 301 Cross-Cultural Communication or ENGL 302 Research in Sociolinguistics or THEO 402 Theology and Culture
BIBL 305	Introduction to Bible Translation
ENGL 301	Introduction to Linguistics
ENGL 304	Discover Your Language
FEDU 407	Bible Translation Practicum (3 credit internship course)

Biblical Research Minor

Minor Description: This minor emphasizes the scholarly studies needed for future theological teachers.

Courses Required:

BIBL 302	Beginning New Testament Greek
BIBL 303	Intermediate New Testament Greek
BIBL 401	Exegesis in the Greek New Testament 1
BIBL 499	Directed Study
_____	Additional Old Testament or New Testament Exegesis class
FEDU 402	Teaching Assistant Practicum (3 credit internship course)

Christian Education Minor

Minor Description: The courses in this minor are designed to develop leaders for the specialized ministries offered through many local churches such as youth and family ministries, Bible study leadership, women's ministries and Sunday school.

Courses Required:

CFOR 301	Youth and Children
CFOR 401	Small Group Ministries
CMIN 401	Counseling
PSYC 301	Personality Development
Either	CFOR 302 Women's Ministry or CMIN 403 Pastoral Leadership
FEDU 401	Church Leadership and Administration Practicum (3 credit internship course)

Elementary Education Minor

Minor Description: This minor offers both theoretical and practical grounding for teaching at the elementary level.

Courses Required:

CFOR 301	Youth and Children
EDLS 301	Methods of Elementary Education 1 (Language and Social Science focus)
EDLS 302	Methods of Elementary Education 2 (Mathematics and Science focus)

EDLS 305	Fine Arts in the Classroom
PSYC 301	Personality Development
FEDU 405	Classroom Practicum in Elementary Education (3 credit internship course)

Missions Minor

Minor Description: This minor will offer courses extending the worldview of those interested in international missions and will help prepare them for the challenges of missionary life.

Courses Required:

CMIN 402	Church Planting
COMM 301	Cross Cultural Communication
THEO 402	Theology and Culture
THEO 403	World Religions
Either	ENGL 301 Introduction to Linguistics OR THEO 304 Spiritual Warfare

CMIN 401	Counseling
CMIN 403	Pastoral Leadership
CMIN 404	Church Finances
FEDU 401	Church Leadership and Administration Practicum (3 credit internship course)

Recreational Ministry Minor

Minor Description: The courses in this minor are designed to prepare interested students with the skills necessary to participate in SCUBA diving and for the final stages of dive instructor certification. After completing FEDU 406, students are qualified to pursue completion of an external examination to receive their Open Water Scuba Instructor certification. (This exam is not a part of the minor, and arrangements for the exam and related fees are entirely the responsibility of the individual to pursue.)

NOTES:

- Because of the specialized focus and intent of these classes, they may not be taken as part of the General Ministry minor.
- The courses in this minor are different from most of PIU's courses in that they vary in number of credits. Each class has its credit value posted after the course name.
- Each semester, dive courses will be offered in "clusters" of three credits to simplify registration and financing.

Courses Required*:

SPRC 301	Open Water Diver (1 credit)
SPRC 310	Advanced Open Water (1 credit)
SPRC 320	1 st Aid/CPR (1 credit)

SPRC 401	Rescue Diver (1 credit)

FEDU 406	Dive Instructor Development (4 credits)

All of the above plus **four additional courses from the following list:*

SPRC 311	Wreck Diver (1 credit)
SPRC 312	Deep Diver (1 credit)
SPRC 313	Search and Rescue Diver (1 credit)
SPRC 314	Digital Underwater Photographer (1 credit)
SPRC 315	Underwater Navigator (1 credit)
SPRC 316	Enriched Air Diver (1 credit)

TESL Minor

Minor Description: This minor prepares students to teach English as a subject or language. It also helps graduates who will teach other subjects to non-native speakers of English either in local schools or abroad as missionaries.

Courses Required:

COMM 301	Cross Cultural Communication
ENGL 301	Introduction to Linguistics
ENGL 302	Research in Sociolinguistics
EDLS 311	Methods and Materials in TESL 1 (Listening and Speaking)
EDLS 312	Methods and Materials in TESL 2 (Reading and Writing)
FEDU 404	Classroom Practicum in TESL (3 credit internship course)

General Ministry Minor

Minor Description: This minor is designed for students who have not selected an area of emphasis for their studies or who prefer a wider range of courses. They select three courses from the three hundred level, and two courses from the four hundred level from among the other minors, as well as an appropriate ministry practicum.

Pacific Islands Christian College

Undergraduate Academic Programs

Pacific Islands Christian College is the home for our AA and BA in liberal studies program as well as the home base for our Certificate in Basic English, Certificate in Dive Instruction and the Community English classes.

Liberal Studies Purpose Statement

The Undergraduate Liberal Studies Program of Pacific Islands University exists to provide students with a sound knowledge of mathematics, science, language and the humanities, a foundational understanding of a biblical worldview, and the skills appropriate for a variety of vocational and ministry settings, while encouraging growth in Christian character and conduct.

1. The **Associate of Arts in Liberal Studies** graduate will show evidence of a transformed life manifested in love for God and others and will have a solid foundation in the areas of language, reasoning and communication skills; mathematics and science; research and technology; health, behavior and social science; fine arts and biblical studies. This program will produce well-rounded students with a biblical foundation that will provide them with the basic educational foundation they need for continuing education or the degree they need for employment.
2. The **Bachelor of Arts in Liberal Studies** graduate will show evidence of a transformed life manifested in love for God and others and will have a solid foundation in the areas of language, reasoning and communication skills; mathematics and science; research and technology; health, behavior and social science; fine arts and biblical studies. This program will produce well-rounded students who have a full university level of competencies including the biblical foundation they may need for a future career or education demands required of a Bachelor of Arts degree.

Certificate in Basic English Purpose Statement

The Undergraduate Certificate in Basic English (CBE) Program of Pacific Islands University is intended to help students who score between 400 and 434 on the paper TOEFL test to raise their score to 475 in order to meet the application requirements for admission to the PIU degree programs in biblical or liberal studies. It is designed to provide the college with a baseline measurement of English fluency. The TOEFL is re-administered near the end of each semester to measure students' growth in each of the four major areas of English: written skills; listening comprehension skills, grammar and mechanics; and vocabulary and reading comprehension.

1. The student will demonstrate basic proficiency in comprehending spoken English by passing the TOEFL test (Test of English as a Foreign Language) with a score of 475 or more.

2.	The student will demonstrate basic proficiency in English reading comprehension by passing the TOEFL test (Test of English as a Foreign Language) with a score of 475 or more.
3.	The student will demonstrate basic proficiency in English grammar and mechanics by passing the TOEFL test (Test of English as a Foreign Language) with a score of 475 or more.
4.	The student will demonstrate basic proficiency in written English by passing the TOEFL test (Test of English as a Foreign Language) with a score of 475 or more.

CERTIFICATE IN BASIC ENGLISH (CBE) (24-30 semester hours/credits)

The Certificate in Basic English (CBE) program involves two semesters of instruction in elementary English skills. It is intended to help students who score between 400 and 434 on the paper based TOEFL test to raise their score to 475 or higher so they can apply for admission to the PIU degree programs. In short, the primary purpose of the program is to prepare students for further academic studies.

Students admitted to the Certificate in Basic English program are NOT automatically admitted to a degree program upon completion of the certificate. They must reapply for admission to additional programs. Classes taken in the CBE program are at a remedial level and are not transferable for college level credit. Courses can be repeated for remedial credit. Students will receive their Certificate in Basic English after proving themselves successful by attaining a score of 475 on the Institutional TOEFL, or it's equivalent at the completion of two full semesters or equivalent (24 credit hours)

In the fall semester students take the following classes:

ENGL 081R - English Reading 1: This class in the CBE program focuses on developing the skills necessary to read college textbooks.

ENGL 082R - English Writing 1: This class in the CBE program focuses on sentence and paragraph writing, with remedial grammar instruction.

ENGL 083R - Basic Bible Knowledge: This class in the CBE program uses the Bible as a text for developing both English skills and a basic understanding of the Bible.

ENGL 084R - Academic Expectations: This English class in the CBE program focuses on developing college-level study and speaking skills.

In the spring semester students take the following classes:

ENGL 085R - English Reading 2: This class in the CBE program is a continuation of ENGL 081R and focuses on further developing the skills necessary to read college textbooks.

ENGL 086R - English Writing 2: This class in the CBE program is a continuation of ENGL 082R and focuses on paragraph and essay writing practices, as well as additional grammar instruction.

ENGL 087R - Christian Living: This class in the CBE program focuses on the subject of what it means to live life as a Christian. There is an emphasis on the development of English skills within that context.

ENGL 088R - Public English Skills: This class in the CBE program helps students develop the confidence to speak in front of a class and contribute to class discussions.

COMMUNITY ENGLISH CLASSES

PIU offers two **Community English as a Second Language (ESOL)** classes on Guam to help community members who are English language learners to develop skills and confidence in their new language – ENGL 071R - Community ESOL 1 and ENGL 072R - Community ESOL 2. These classes cost \$210 per semester and are often taught by PIU students in the TESL program. No degree credit.

CERTIFICATE IN DIVE INSTRUCTION (CDI)

(25 semester hours/credits)

This 25-credit hour certificate program is designed to certify students as open water divers and then lead them through a succession of courses that would eventually qualify them to pass the instructor's examination. Providing a program that certifies students to lead and train recreational divers will provide a new opportunity for students to return to their islands with a unique Christian education from PIU and a very marketable skill. Successful students would then be authorized by the Professional Association of Dive Instructors (PADI) to work as dive masters and will be qualified to take the instructor's test (given only by PADI officials).

Required Courses:

SPRC 301	Open Water Diver: (1 credit)
SPRC 310	Advanced Open Water: (1 credit)
SPRC 311	Wreck Diver: (1 credit)

Pacific Islands Evangelical Seminary

Graduate Academic Program

The goal of the PIES graduate-level seminary is to produce biblically-formed servant leaders equipped to serve the churches and communities of the Pacific. This advanced level of training builds on the student's undergraduate education to sharpen his or her understanding of God and His Word, the cultural context in which we serve, and the student's ability to effectively communicate the good news of Christ Jesus.

Graduate Purpose Statement

The Graduate Bible Programs of Pacific Islands University exist to be the leading provider of theologically trained leaders to the churches of Micronesia and a key developer of effective missionaries to the unreached peoples of Southeast Asia. This dual mission is accomplished by providing a devotionally centered, biblically solid, theologically informed, and practically focused foundation for ministry.

1. To help students solidify and nurture their personal relationship with Jesus Christ.
2. To equip students with the tools necessary to properly interpret the Scriptures.
3. To train students to think theologically.
4. To provide students with the tools necessary to carry out practical ministry.
5. To provide an environment in which students will build lifelong relationships with faculty mentors and church leaders from other cultures.
6. To prepare students to serve their local church.
7. To enable students to carry out cross-cultural ministry to unreached people.

MASTER OF ARTS IN RELIGION (MAR)

(48 semester hours/credits)

The Master of Arts in Religion (MAR) is an introductory seminary degree providing an in-depth study of the Scriptures and the essential truths of the Christian message. The program is profitable for Christian educators, staff pastors, and for informed lay leaders desiring a scriptural undergirding for service in a supportive role in a local church or other ministry.

A student shall complete a minimum of 30 graduate credits towards his or her MAR degree at PIES. Unless otherwise noted all classes are 3-semester hours of credit.

Required Foundational Courses:

General Ministries Concentration

Note: As this program develops we intend to add concentrations into specific areas of ministry such as Christian formation, missions/cross-cultural studies, biblical languages, Bible, etc. However, during the first years of the program we are offering a general ministries concentration which consists of:

- 1 additional Bible course (BIBL, BOLD, BNEW)
- 1 GMIS course
- 1 CMIN course
- 1 General elective course

MASTER OF ARTS IN BIBLICAL AND THEOLOGICAL STUDIES (MABTS)
(72 semester hours/credits)

The Master of Arts in Biblical and Theological Studies (MABTS) program exists to provide theologically, exegetically and practically trained male and female leadership to the churches of the Pacific Rim, including pastors, Bible translators, biblical counselors, and missionaries to the unreached people groups of Asia, who are trained in a relational, mentoring, practical environment that will serve as the model for ministry and will further PIU's mission to prepare men and women with a biblical worldview for leadership and service in life, work, and ministry in the global community and the church.

A student shall complete a minimum of 48 graduate credits towards his or her MABTS degree at PIES. Unless otherwise noted all classes are 3-semester hours of credit.

Grading & Academic Standing

PIU uses the letter grade system. The breakdown of the percentages is as follows:

Letter grade	Percentage	Explanation	Grade points per credit
A	90-100%	Outstanding	4.0
B	80-89%	Above average	3.0
C	70-79%	Average	2.0
D	60-69%	Below average	1.0
F	0-59%	Failing	0
I	0%	Incomplete	0
W	0%	Withdrawal	0

A grade of "I" (which is given only in situations deemed worth or necessary by the instructor or Provost) must be made complete within the first half of the next semester unless special permission to extend this time is granted by the instructor and the Academic VP. Failure to complete the class in the prescribed time period will normally result in a grade of "F" for the class.

The faculty may record plus or minus after a passing grade where appropriate. This recording will be placed on the student's permanent record but will in no way affect the student's grade point average.

To receive credit for a course, the student must attend at least 75% of the class sessions.

A student who officially withdraws from a course after the first week and before the tenth week of classes will receive a "W" entry on his or her permanent record. No grade points are entered for the course. Official withdrawal after the ninth week of classes will result in a grade other than "W" with grade points counted toward the cumulative GPA.

If a student scores between 65 -- 69%, the instructor may provide an additional assignment to enable the student to attain a C grade. Students may repeat courses for which they receive a grade of D or F. In this case the new grade will replace the former grade on the student's permanent record if the student earns a higher grade.

Students with English deficiencies will be assigned to remedial English classes (course codes with numbers below 100). These non-credit courses will be taken with grades. After proving themselves successful by meeting the TOEFL requirements of a score of 475 or better, students may enroll in courses for credit. Students who do not demonstrate English proficiency must retake the relevant course or continue in the sequence until the required score is achieved.

In any semester, students with a Grade Point Average (GPA) lower than 2.0 will be placed on academic probation and will be informed of this status in writing. Two consecutive semesters with a GPA below 2.0 will constitute cause for dismissal from PIU. Students must have an overall GPA of 2.0 to graduate from Certificate, Diploma, AA, or BA programs. A minimum GPA of 2.5 is required to graduate with a degree from PIES.

Additionally, any student whose life at PIU gives evidence of a lack of harmony with the Christ-centered commitment of PIU may be asked to withdraw even if all academic requirements are met.

POLICY FOR TRANSFER OF CREDIT

Transfer of Credits from Accredited Institutions:

Credit will be granted to students transferring from an accredited institution where:

- a. official transcripts are available that show the grade earned was a C or higher
AND
- b. the published course description from that institution is deemed equivalent in scope, content, academic level, and number of credits to a course offered at PIU/PIES.
OR
- c. personal communication with a representative of the other institution makes it clear that the course from that institution is equivalent in scope, content, academic level, and number of credits to a course offered at PIU/PIES.
- d. courses which do not meet the equivalency requirements of PIU/PIES *may* be granted to the student for elective credit.

Transfer students are required to earn a minimum of 60 credit hours toward their Bachelor of Arts degree or diploma, a minimum of 36 credit hours toward their Associate of Arts degree, or Certificate in Biblical Studies at PIU, and a minimum of 30 credit hours toward the Master of Arts in Religion degree and 48 credit hours toward the Master of Arts in Biblical and Theological Studies degree.

Transfer of Credits from Non-accredited Institutions:

Partial (1/2) credit *may* be granted to students transferring from non-accredited institutions based on the following:

- a. official transcripts are available that show the grade earned was a C or higher
AND
- b. the published course description from that institution is deemed similar in scope, content, and academic level to a course offered at PIU/PIES.
OR
- c. personal communication with a representative of the other institution makes it clear that the course from that institution is similar in scope, content, and academic level to a course offered at PIU/PIES.

NOTE: Due to the nature of allowing only partial (1/2) credit being allowed as transfer credit, the student may only be granted transfer credit from non-accredited institutions for elective credit. Transfer credit in other areas from non-accredited institutions may be made on a case by case basis. Some students may receive credit in areas other than elective if a combination of classes is deemed equivalent in scope, content, academic level, and number of combined credits to a course offered at PIU/PIES. Decisions will be made on a case-by-case basis by the Academic VP or admissions committee upon examination of official transcripts, catalog descriptions and/or syllabi from the course/s taken.

PIU/PIES reserves the right to limit the number of transfer credit allowed in order to retain the above-stated requirements of minimum credits that must be taken at PIU toward any degree, diploma, or certificate program (see item d. under "Transfer of Credits from Accredited Institutions" above).

necessary for those classes and for any transportation costs to off-campus sites.

² \$15 for each test.

³ Graduation cap and gown are not included.

⁴ Transcript requests must be made in writing to the Registrar. Diplomas or transcripts
are not issued if the student account has an outstanding balance.

⁵ Students may not audit the courses with an "R" in the course number.

TYPICAL COST OF ATTENDANCE

Fees Per Semester¹	12 credit hrs
School Fees	\$325
Tuition	\$3,540
Dorm with A/C Fee ²	\$1,300
Sub-Total	\$5,165

NOTE:

¹ The typical cost of attendance as a full-time student are based on the assumptions that an
independent student is sharing his/her room with another student and one (1) semester is a four
(4) month period of class attendance. Amounts for food, transportation and personal expenses
vary and are not included, they should be kept in mind when the overall costs are counted.
For students whose permanent residence is not Guam, a round trip airfare must be added
(~\$1500). The student still needs to calculate additional costs of approximately \$150 for textbooks
which will be due at the time of purchase. The student can purchase the books himself. If
acquired through the school, books and other materials must be paid for at the time of purchase.

² For Guam campus students only. Will be reviewed annually.

SAMPLE SCENARIOS OF NET COSTS
(Cost of Attendance minus total grants and scholarships)

Student taking 12 credit hrs	Off-campus Student 1	On-campus Student 2
Cost of Attendance*	\$3,865	\$5,165
(LESS)		
Federal Pell Grant	(\$2,865)	(\$2,865)
State Grants	(\$0)	(\$0)
Other Scholarships/Grants	(\$0)	(\$0)
PIU WE-SERVE Grant** (Range: \$0-750)	(\$750)	(\$750)
PIU President's Grant** (Range: \$0-600)	(\$250)	(\$600)
Expected Net Costs	\$0	\$950

*Textbooks/Materials are not included in the computation, the student still needs to calculate additional costs of approximately \$150 for textbooks which will be due at the time of purchase.

**Applied to all students with Zero (0) EFC. President's grant will be adjusted dependent on their EFC. Detailed information about the Institutional grants are available in the PIU Guide to Financial Aid and p43 of this catalog.

NOTE:

A full-time student (taking a minimum of 12 credit hours per semester), while maintaining a grade point average of 3.5 or above, will receive a scholarship for the tuition costs of up to 3 credit hours beyond 12 credit hours in the succeeding semester.

Full time students will be given priority over part time students for dorm occupancy. Full time students will be admitted into the dorms on a "first come-first served" policy.

Returning students must clear their previous balances in order to register for the next semester. Students must be prepared to pay at least **"One Fourth (25%) of the Expected Net Costs"** during registration at the beginning of the term, after all expected grants and scholarships are applied. A payment plan may be arranged by contacting the business office.

Example Computation:

The expected net cost of Student #2 is **\$950**. During registration, Student #2 must pay **\$237.5** (viz., \$950 : 4 = \$237.5). The remaining balance of **\$712.5** can be paid in three monthly rates of **\$237.5** each.

POLICY FOR LATE REGISTRATION

Students who do not arrive on campus and register each semester by the posted registration deadline (the last day of the registration period) will pay a late registration fee of **\$100.00**.

Pre-registered Students and Registration: Students who have pre-registered must confirm their pre-registration form either in person or via email by the posted registration deadline (the last day of the registration period). **Pre-registered students who do not confirm their registration by the deadline will pay a late registration fee of \$100.00.**

REFUND POLICY

It is the responsibility of the student to notify PIU when officially withdrawing from any class. Refunds of all refundable fees (not room fees) - in the event a student withdraws from all classes - are determined from official date of withdrawal as follows:

100%.....	withdrawal during registration & add/drop period (week 1 of the semester)
75%.....	withdrawal during the second week (or the equivalent) of instruction
50%.....	withdrawal during the third week (or the equivalent) of instruction
25%.....	withdrawal during the fourth week (or the equivalent) of instruction
0%.....	withdrawal after the fourth week (or the equivalent) or thereafter

A withdrawing student is required to complete a withdrawal form which can be obtained from the PIU Business Office or the PIU website. The date of the withdrawal is the same as the date the Business Office receives the signed form from the student.

STUDENT FINANCIAL OBLIGATION POLICY

It is the policy of Pacific Islands University for students to be responsible for promptly settling their financial obligations to the University. These obligations may include, but are not limited to:

- Tuition and school fees/room;
- Personal checks or credit card payments returned unpaid by the bank;
- Fees for not returning equipment or materials;
- All other outstanding financial obligations.

SANCTIONS

Students who fail to satisfy their financial obligations are subject to having their records placed on "hold". This hold will restrict the student from registering for a subsequent semester, receiving a diploma, and having unofficial/official transcripts and grade reports furnished until the financial obligation is cleared.

Students who fail to pay their monthly financial obligation will be issued a "Demand Letter" one week after the account is due requiring them to pay their dues IMMEDIATELY. For dorm students, this letter will serve as a "Move-out Letter" indicating that seven days after receiving the demand letter, dorm students must move off-campus unless the financial obligation is satisfied.

Penalties for late payments

- The University will charge \$100 on all debts not received by the end of the semester payment deadline.

Penalties for returned checks

- 1st returned check.....\$25
- 2nd returned check.....\$50
- After 2nd returned check.....NO writing check privileges

As a last resort, the University may report students with unpaid accounts to a credit bureau and/or Department of Revenue and Taxation.

FINANCIAL AID

Awards will be made based upon need. That is, PIU will attempt to provide sufficient financial aid for each student who is admitted so that the student will be able to afford the expenses for the school year. However, the primary responsibility for tuition and fees rests with the student and his or her family.

Any student who wishes to be considered for this financial support should obtain and complete the application forms, including the financial summary form.

It is the hope that no admitted student will be denied opportunity to study at PIU because of inadequate financial support. For more information, contact the PIU financial aid director, the campus registrar, or the teaching facility office manager. *Note: PIU does not participate in the student loan program. The Free Application for Federal Student Aid (FAFSA) is not required for admission. It is strongly encouraged that students complete the FAFSA as early as possible. The online application can be found at: fafsa.ed.gov.*

SCHOLARSHIPS & GRANTS

Federal Title IV Pell Grant Program

PIU is a participant in the federal Title IV Pell Grant Program.

Academic Excellence Scholarship

This scholarship is available to any full-time student who has a GPA of 3.5 or above in the previous semester and takes more than 12 credits hours in the succeeding semester. Students will receive a scholarship for the tuition costs of up to 3 credits hours beyond 12 credit hours.

Bible Knowledge Enrichment Scholarship

This scholarship is available (upon approval of a letter of application) to all **non-program** students who are ineligible or unable to participate in Title IV or in other public or state scholarship, grant or award programs. This scholarship pays 50% of the tuition for all PIU Bible, Theology or Ministry classes taken and can be applied up to a maximum of 12 credits.

Bible Translation Training Scholarship

Is designed to encourage students to learn about the field of Bible translation and its role in strengthening the church. This scholarship is funded by the Isles of the Sea which works in Bible translation in the Pacific. Scholarship funds will be awarded to students who have enrolled in the Bible translation courses, especially those who have declared a Bible translation minor.

Pastor's Scholarship

This scholarship is available for one first-time student from each local church each semester, who is ineligible or unable to participate in Title IV or in other public or state scholarships, grants or award programs. To apply for this scholarship, a student must submit a letter from the pastor of his or her local church recommending the student for the scholarship. This scholarship pays for the full tuition and fees excluding textbook charges for the first class taken at PIU.

PIU Work Experience & Serve Grant (WE-SERVE GRANT)*

All PIU program students may apply for a PIU Work Experience and Serve Grant (award amount up to \$750 per semester). To receive this grant, each student will make a written agreement to participate in work-experience activities to serve various needs on the Guam campus or qualified service sites. Students will work and log a maximum of 100 hours of service over the course of a single term (semester or summer). Students will gain valuable hands-on work experience and practical skills development (ex; leadership, teamwork, and work ethics). The total hours required will be proportionate to the amount of the award. The grant will be directly applied to the student account for tuition, room and other fees; excluding course textbooks and penalty fees.

PIU President's Grant*

The purpose of this grant (award amount up to \$600 per semester) is to make Christian higher education available for students who are unable financially to attend PIU **after all other grants are applied**. All program students are eligible to be considered for this grant upon receipt of a written application. Applications will be considered by the President and the scholarship committee. The grant will be applied to the student account for tuition, room and other fees excluding course textbooks and penalty fees. This grant reflects the contributions to PIU made by Liebenzell Mission and volunteers to the operating and capital budget, as well as the provision of missionary faculty and staff.

Other Institutional Scholarships*

Other Institutional Scholarships are privately funded by monies given to PIU to provide scholarships. The funds may come from any source, such as a branch of Liebenzell Mission, other organizations, or private individuals. The purpose of these scholarships is to enable deserving students to complete their training without debt. See the Financial Aid office for applications procedures and availability.

Veterans Benefits

Students who have served in the United States military may be eligible for benefits through the US Department of Veterans Affairs.

(Source: GEN-12-10 USDE Office of Postsecondary Education). If you served on Active Duty, you might be eligible for education benefits offered by the Department of Veterans Affairs. For example, the Post-9/11 GI Bill provides financial support for educational and housing expenses to individuals with at least 90 days of aggregate service after September 10, 2001, or individuals discharged with a service-connected disability after 30 days. You must have received an honorable discharge to be eligible for Post-9/11 GI Bill.

If you are currently serving in the military, you may be eligible for funding offered through the Department of Defense Tuition Assistance program. Check your eligibility status and the amount for which you qualify with your Service prior to enrolling.

**In order to be eligible to apply for this grant, the student must have a current FAFSA on record and must fill out PIU's General Scholarship application. Returning students must complete a valid FAFSA before the end of the previous semester and make application before the close of registration. New students must submit their written application and valid FAFSA latest 30 days after the close of registration. However, these funds are very limited and date of application will be a major factor in determining how funds are distributed.*

If you are the spouse or child of a service member who is serving on active duty Title 10 orders in the paygrades of E1-E5, O1-O2, or W1-W2, you may be eligible for financial assistance from the Department of Defense for education, training, and/or the occupational license and credentials necessary for a portable career.

If you are the spouse or child of a service member, you may be eligible for transfer of the service member's Post-9/11 GI Bill benefits to you.

For more information on qualification or veteran benefits visit the US Department of Veterans Affairs website, www.gibill.va.gov, or contact the PIU Financial Aid Office.

Undergraduate Course Descriptions

Not all courses are offered every semester or even every year. Check with the site registrar for the current course schedule. Unless indicated otherwise, all classes are 3-credit hours. PIU also offers some courses online (Distance Education) and/or in hybrid (partially on-site and partially online) by some of our regular PIU faculty members each semester. These are posted on each semester's course schedule for your convenience. *Note: Students are strongly encouraged to take their 100 and 200 level courses before their 300 and 400 level courses.*

ARTS 101: Introduction to Art: This introductory course examines the nature of visual art and the various ways in which art is expressed through the use of elements and principles in visual art. Basic activities in drawing and painting will dominate the first half of the semester. The latter part of the semester will focus on painting and the Renaissance Period and students will use the Internet for online assignments and activities. A portfolio will help the student observe his or her progress in all activities conducted inside or outside of the classroom and will also be used as part of the grading in the semester.

ARTS 301 — Introduction to the Creative Arts: An innovative course focusing on one of the creative arts and its potential for use in ministry.

CSCI 201 - Desktop Publishing 1: Utilization of computer systems to design, compose and publish graphic materials. Computer-aided publishing concepts are also emphasized.

CSCI 202 - Desktop Publishing 2: An intermediate level course designed to develop desktop publishing skills. Digital images and illustrations, word processing/presentation and page layout programs are used to create printed and electronic publications, and materials for use on-line. Activities include image capture and manipulation, design principles and creation of artwork, page layout and composition, and file formatting and converting of printed and electronic projects. Prerequisite: CSCI 201 or permission of the instructor.

EDLS 102 (also CFOR 102) - Principles of Teaching: As an introduction to Christian education, this course offers a basic study of the characteristics of different age groups with the aim of developing a better understanding about how people learn. Students learn how to choose lesson objectives and teaching methods appropriate for specific age groups. Course requirements include practical teaching assignments with class evaluations.

EDLS 201 – Introduction to Education: An introductory course for students interested in elementary education and for prospective education minors. The course will include an overview of education theory, how to organize course materials, basics of student evaluation, starting and maintaining a grade book, educational classroom displays (bulletin boards), and designing class displays of student work.

EDLS 301 - Methods of Elementary Education 1: This class focuses on teacher planning, from setting up the classroom to curriculum, with its varied presentations for students from various cultures and with different learning styles. It includes direct and indirect approaches to teaching **language** and **social science** material along with the implementation of strategies and assessments.

EDLS 302 - Methods of Elementary Education 2: This class focuses on teacher planning, from setting up the classroom to curriculum, with its varied presentations for students from various cultures and with different learning styles. It includes direct and indirect approaches to teaching **mathematics** and **science** material along with the implementation of strategies and assessments.

EDLS 305 - Fine Arts in the Classroom: Students learn how to use arts and crafts, drama, dance, music, and song writing in the elementary school classroom.

EDLS 311 - Methods and Materials in TESL 1: Students in this classroom/lab course will focus on teaching in general and on teaching the skills of listening and speaking to ESL students. This course is required for the TESL minor. Prerequisite or co-requisite: ENGL 301.

EDLS 312 - Methods and Materials in TESL 2: Students in this classroom/lab course will focus on teaching in general and on teaching the skills of reading and writing to ESL students. This course is required for the TESL minor. Prerequisite or co-requisite: ENGL 301.

EDLS 499 - Directed Study: Individual study with frequent instructor/student meetings in an area related to education and liberal studies may be arranged through a faculty member teaching in the subject area. Request forms are available in the registrar's office.

ENGL 071R - Community ESOL 1: This class focuses on the basic social skills needed to speak, read and write English about self, family and personal interests. Basic grammar skills, vocabulary pertinent to these topics, and English cultural conventions of conversation are also covered.

ENGL 072R - Community ESOL 2: This class focuses on the English skills needed for shopping, banking, eating out, medical appointments, telephone calls, and interaction with business people.

ENGL 081R - English Reading 1: This class in the CBE program focuses on developing the skills necessary to read college textbooks.

ENGL 082R - English Writing 1: This class in the CBE program focuses on sentence and paragraph writing, with remedial grammar instruction.

ENGL 083R - Basic Bible Knowledge: This class in the CBE program uses the Bible as a text for developing both English skills and a basic understanding of the Bible.

ENGL 084R - Academic Expectations: This English class in the CBE program focuses on developing college-level and speaking study skills.

ENGL 085R - English Reading 2: This class in the CBE program is a continuation of ENGL 081R and focuses on further developing the skills necessary to read college textbooks.

ENGL 086R - English Writing 2: This class in the CBE program is a continuation of ENGL 082R and focuses on paragraph and essay writing practices, as well as additional grammar instruction.

ENGL 087R - Christian Living: This class in the CBE program focuses on the subject of what it means to live life as a Christian. There is an emphasis on the development of English skills within that context.

ENGL 088R - Public English Skills: This class in the CBE program helps students develop the confidence to speak in front of a class and contribute to class discussions.

ENGL 091R - English for Academic Purposes 1: This advanced course in English as a Second Language is designed for students who already read, write and speak English, but whose skills are not presently adequate for college level demands. Focusing intensively on writing, the course also assists students with vocabulary development and reading comprehension, as well as contextualized grammar study. ENGL 91R also includes a one hour required lab time each week.

ENGL 092R - English for Academic Purposes 2: This advanced course in English as a Second Language focuses on Reading Comprehension. ENGL 92R also includes a one hour required lab time each week.

ENGL 101 - Freshman English 1: This course presents the academic English skills needed by students pursuing a college education, particularly rhetorical reading and writing. Students practice skills such as identifying the main points and supporting arguments in a variety of non-fiction texts, structuring their own writing logically and clearly, employing research skills, and preparing and delivering oral presentations. Some students who might be permitted to enroll with borderline TOEFL scores (475-485) will be required to attend a 101X lab for one hour a week to ensure success in this rigorous college writing class. Lower level students are more successful with added assistance this lab provides. In addition, the teacher can require this lab for students whose grade drops below the 75% point at any time during the semester.

ENGL 102 - Freshman English 2: This course which builds on Freshman English 1 involves reading and analyzing short texts. There are emphases on persuasive and research writing and speaking, as well as vocabulary acquisition. Prerequisite: ENGL 101.

ENGL 201 - Christian Literature: This reading and writing intensive course introduces a variety of literature with Christian themes. Students learn about literary forms, terms, and techniques. Extensive writing in response to literature is also expected of course participants. Prerequisite: ENGL 102.

ENGL 301 - Introduction to Linguistics: This course introduces students to the rudimentary sub-fields of linguistics: phonetics, phonology, lexicon, morphology, syntax, semantics and pragmatics as well as the different views of language acquisition as it relates to pedagogy. It explores differences between English and other languages and how these differences affect language learning and translating between languages. This class is required for both the TESL and the Bible Translation minors. Prerequisite: ENGL 102

ENGL 302 - Research in Sociolinguistics: Students spend the first half of the semester studying sociolinguistic principles, and the second half applying these principles to field research. It is required for the TESL minor. ENGL 301 is recommended (but not required) prior to taking this course

ENGL 304 – Discover Your Language: Following on from Introduction to Linguistics, this course provides students with tools and practice to do basic grammatical analysis. This will include work to discover the grammar of his/her language. Prerequisite or co-requisite: ENGL 301

ENGL 305 – Grammar for Teaching English as a Second Language (ESOL): Students complete an in-depth study of grammar, mechanics, and usage with special focus on areas that give English language learners the most trouble. Students study, discuss, and prepare weekly reports and mini-lessons on each week's targeted grammar feature. Students also present mini-lessons on grammar and compile a course binder. (This course is strongly recommended as a General Education selection for all TESL and Elementary Education minors.)

ENGL 499 - Directed Study: Individual study with frequent instructor/student meetings in the area related to English language may be arranged through a faculty member teaching in the subject area. Request forms are available in the registrar's office.

FEDU 101, 201, 202 Field Education: Field Education is composed of 3 separate 5-week courses of 1 credit each (Ministry Introduction, Ministry Development, Ministry Immersion) which together are designed to expose the student to the basics of practical ministry and team ministry. The courses provide opportunities for the student to observe a variety of local ministries, be trained in how to do relational ministry, and then end up actually doing ministry in a specific local ministry setting. (Pass/Fail)

FEDU 401 - Church Leadership and Administration Practicum: Internship experience for students who expect to be serving local churches as pastors or in some form of specialized ministry. (Pass/Fail)

FEDU 402 - Teaching Assistant Practicum: A study of the communication aspects of teaching Bible and theology in both an academic and church context. Students will also gain experience in all aspects of classroom teaching including lecture, discussion, grading and online delivery systems. (Pass/Fail)

FEDU 403 – Cross Cultural Mission Practicum: Internship experience for students who expect to be serving as missionaries in a cross-cultural context. (Pass/Fail)

FEDU 404 - Classroom Practicum in TESL: Students divide their time between coursework/ classes and working in classes of adult or child ESL learners. Prerequisite: Completion of, or concurrent enrollment in, all other courses required in the minor. (Pass/Fail)

FEDU 405 - Classroom Practicum in Elementary Education: Internship experience for students who expect to be teaching elementary school students. Prerequisite: Completion of, or concurrent enrollment in, all other courses required in the minor. (Pass/Fail)

FEDU 406 Diver Instructor Development: (4 credits) This course requires all students to present four confined water teaching presentations, four knowledge development presentations, and two open water teaching presentations integrating two skills. In addition, students will attend and participate in fourteen curriculum presentations listed in the course syllabus. Students will demonstrate competence in performing all 20 dive skills listed on the Skill Evaluation and performing a facedown, nonstop swim for 800 meters/yards using a mask, snorkel and fins. During the course, students will also need to demonstrate competency in Dive theory by passing a five-part theory exam scoring a minimum of 75% on each part. (Pass/Fail)

Pre-requisites: The Dive Instructor Development course is the capstone course for the Outdoor Recreation Minor. As such, all courses SPRC required for this minor must be completed prior to enrolling in this course. Any exceptions to this must be approved by instructor.

FEDU 407 – Bible Translation Practicum: This course will provide students with practice in translating Scriptural passages and discussion translation issues arising from their translation work. There will also be discussion of the process and issues involved in setting up a Bible Translation program. Prerequisite: ENGL 301 and BIBL 305 (Pass/Fail)

GOVT 301 - Political Science: By examining and comparing different political systems in various countries, the course will provide an introduction to the basic ideas, terminology, and debates in political science. The fundamental goals of the class are to expose students to the diversity of political systems in the modern world, teach students how to analyze politics in other countries, teach students to think critically, and through reflection gain a better understanding of their own political system. In an increasingly global world advancing our understanding of the politics, histories, and cultures outside our borders is crucial

HEAL 201 - General Health & Fitness: This introductory level course helps students to understand how their choices in a wide range of areas affect them and those around them. In this course, students will be instructed in the basic tenets of living healthy lifestyles and making healthy choices in areas such as: food/nutrition (food types and amounts); fitting a reasonable fitness plan into daily life; the necessity of sleep and effects of sleep deprivation; personal hygiene; wellness practices; how we interact with others; and how we interact with the world around us including instruction on stress management; handling interpersonal conflicts; alcohol, drug, and tobacco use.

HEAL 301 - Health Education: This course teaches basic health care for situations, “where there is no doctor.” In addition, students are introduced to CPR and First Aid procedures.

HIST 201 - World Civilizations: The course will provide a general understanding of the chief characteristics of human history as exemplified by the traditional cultures of Africa, the Middle East, China, Japan, India, Central Asia, the Americas and Europe. Emphasis will be placed on the institutions, values, and interrelationships among people across the globe, and the achievements and contributions of individual civilizations to human history.

HIST 301 History & Cultures of the Western Pacific Islands: This course provides a survey of historical events, peoples, and cultures of the Micronesian region of the Pacific. This region includes four island groups, namely the Caroline Islands, the Gilbert Islands, the Mariana Islands, and the Marshall Islands. Euro-American exploration, culture contact and colonial annexation will be considered as part of this course.

ISCI 401 - Introduction to Library Science: Fundamental elements of the world of libraries, librarianship and information science are covered.

JAPA 101 - Japanese 1: Introduction to the Japanese language with an emphasis on the acquisition of elementary Japanese skills and learning hiragana and katakana syllabaries, as well as some kanji characters.

JAPA 102 - Japanese 2: Continues with the development of skills learned in JAPA 101.

JAPA 301 – Conversational/Business Japanese 1: This course will provide an introduction to some basic conversational Japanese skills needed to successfully teach Japanese speaking tourists safe SCUBA diving practices. Focus will be on basic social and instructional phrases and accumulating basic dive instruction vocabulary, pronunciation, inflection, and comprehension. Pre-requisite: Passing grade of B or better in ENGL 101 and ENGL 102.

JAPA 302– Conversational/Business Japanese 2: This course further develops the skills introduced in JAPA 301. This course will focus on developing conversational skills for instruction of safe SCUBA diving practices in order to certify Japanese speaking tourists for SCUBA diving. Students will greatly increase their vocabulary and comprehension of not only dive terminology, but the business terminology needed for working in the dive industry. Pre-requisite: JAPA 301

MATH 099R -- Introductory Algebra*: In this course, students will be able to review and perform mathematical operations involving fractions, decimals, percentages, proportions, powers, exponents and roots. After a basic mathematics review, this course focuses on the basics of algebra such as review of monomial, polynomials, factoring, variables, algebraic expressions, systems of equations and quadratic equations. Students also learn inequalities, graphing, number series and worded problems. No degree credit.

**Students are required to take mathematics placement test administered by PIU. New incoming freshmen are required to take the test to find out if they need to take remedial math class or not. Advanced students who want to take math classes and haven't taken any of the math courses before are also required to take the placement test to identify their level of mastery in mathematics. Based on the placement test score, students will be assigned to the appropriate math courses to take.*

MATH 101 - Basic Mathematics: A review of basic mathematical operations, including fractions, percent, and decimals. The course will introduce the basic concepts and applications of functions and demonstrate how to apply mathematics to practical situations.

MATH 102 – College Algebra: This course provides a working knowledge of college-level algebra and its applications. Emphasis is placed upon the solution and the application of linear and quadratic equations, word problems, polynomial functions, roots and radicals. Students perform operations on real numbers, operations with algebraic expressions, algebraic fractions, rational and radical expressions. Arithmetic and geometric sequences, systems of equations, inequalities and coordinate geometry are discussed. Students learn to solve and graph linear and quadratic equations.

Other topics include solving applications using equations of lines as well as graphing of two variables on the xy plane and other functions and graphs. Prerequisite: passing score on math placement test.

MATH 201 – Introduction to Statistics: In this course, student will be introduced to the basic concepts of statistics using an intuitive approach to understanding concepts and methodologies. These include basic statistics, numerical measures, frequency distributions, measures of central tendency, measures of dispersion, concepts of probability, sampling principles of testing and univariate inferential testing. Students learn to solve correlation and regression for bivariate data, estimation, and hypothesis testing. Also, students will be encouraged to explore the practical application of statistical thinking, collecting and analyzing data.

MUSC 201 - Music 1: A study of rhythm and pitch to enable the student to know the basics of sight singing, and to be able to sight read melody and parts for many songs. Basic keyboard technique is also studied.

MUSC 202 - Music 2: Development of skills learned in MUSC 201.

MUSC 203 - Choir: Practical course designed for the student to learn how to direct a choir.

PHIL 200 - Critical Thinking and Logic: This course is designed to further students' abilities in the critical thinking/ logic, expository, and persuasive writing skills needed in order to successfully read and write at upper division college level. The course will focus on building students' abilities to write evaluative, persuasive, and defense essays that clearly communicate information and ideas. Students will also learn how to recognize fallacies in arguments, and how to identify and utilize different writing techniques. Students enrolled in PHIL 200 are presumed to have achieved a fairly advanced competence in reading, writing, and speaking English, and should have passed ENGL 102.

PHIL 303 (also THEO 303) - Ethics: A study of the ethical principles of the Bible and how they compare and contrast with other ethical systems. Instruction includes case studies and discussion.

PHIL 403 (also THEO 403) - World Religions: Introduction to the study of religion with specific attention to major world and traditional or animistic religions, as well as the development of a Christian approach to their adherents.

PSYC 201 - Introduction to Psychology: Exploration of the fundamental issues of psychology, including research, brain psychology, development, learning, memory, motivation, personality, psychological disorders, and social behaviour.

PSYC 301 - Personality Development: An introductory course in developmental psychology. Major developmental theories are studied, as well as characteristics and developmental tasks of each age group. Throughout the course there is an effort toward critical integration of scientific findings with scriptural teaching (integration of psychology and theology) as well as practical application to Christian growth and ministry.

PSYC 303 (also CFOR 303) - Marriage and Family: A practical study of the biblical view of the family, this class explores marriage and family experiences, personal choices, marital adjustments, conflict management, parenting decisions, communication, giving particular attention to the preparation for Christian marriage, and family life.

PSYC 401 (also CMIN 401) Counseling: This course focuses on basic counseling techniques such as active listening, following responses, immediacy, confrontation and self-disclosure. It also examines some of the most common issues for which people seek help, such as pain and suffering; depression; suicide; anger, grief and loss; sexual, emotional, and substance abuse; and guilt and forgiveness. Throughout the semester, students will learn and apply practical counseling skills. Emphasis is placed on the application and analysis of skills as used in mock and simple, real counseling sessions with peers.

PSYC 499 - Directed Study: Individual study with frequent instructor/student meetings in an area of psychology or counseling may be arranged through a faculty member teaching in the subject area. Request forms are available in the registrar's office.

SCIE 201 - Physical Science: This course is designed for students to explore the basic concepts of physical science. Students will be introduced to the fundamental concepts of physics, chemistry including mechanics, electricity and magnetism, atomics, chemical elements and bonding. Also, they will be encouraged to examine the relationship between science and everyday life.

SCIE 301 - Marine Biology: This course is an introduction to marine biology through lecture and labs. Topics will include principles of marine science, life in the marine environment, and structure and function of marine ecosystems. Special attention will be given to our local marine systems including coral reefs and mangrove estuaries.

SOSC 201 - Intro to Social Work: This course introduces the student to the profession of social work. It provides a basic foundation and general overview about the profession, its theories and general interventions, as well as describing fields of social workers practice and the population served.

SPRC 301- Open Water Diver: (1 credit) The Open Water Diver course consists of three main phases: knowledge development to understand basic principles of scuba diving; confined water dives to learn basic scuba skills; and open water dives to review skills and adapt them to the ocean environment.

SPRC 310 - Advanced Open Water: (1 credit) The Advanced Open Water Diver will introduce the diver to higher level knowledge and skills. Some content will vary with interest and the three optional dives the student chooses. The course will include practical aspects of deep diving; physiological effects of deeper scuba diving; more ways to use the underwater compass; how to navigate using kick-cycles, visual landmarks and time; how to better use the dive computer and electronic Recreational Dive Planner™ (eRDPTM). Pre-requisite: SPRC 301

SPRC 311 - Wreck Diver: (1 credit) The Wreck Diver course provides knowledge development and skills in: techniques for diving exploring shipwrecks, and how to avoid common hazards; how to research and learn the background of your favorite wrecks; wreck scuba diving equipment considerations; considerations and techniques for entering intact wrecks; experience in planning, organizing and making at least four wreck dives under the supervision of your PADI Instructor. Pre-requisite SPRC 310 or instructor permission.

SPRC 312 - Deep Diver: (1 credit) The Deep Diver course provides knowledge development and skills for: techniques for diving in the deeper range of 18-40 meters/ 60-130 feet; deep scuba diving equipment considerations; experience in planning, organizing and making at least four deep dives under the supervision of your PADI Instructor. Pre-requisite SPRC 310 or instructor permission.

SPRC 313 - Search and Rescue Diver: (1 credit) The Search and Recovery Diver course provides knowledge development and skills in: The search and recovery dive planning, organization, procedures, techniques and how to deal with potential problems; how to locate large and small objects using search patterns; how to use a lift bag and other recovery methods; limited visibility search techniques. Pre-requisite SPRC 310 or instructor permission.

SPRC 314 - Digital Underwater Photographer: (1 credit) The Digital Underwater Photographer course provides knowledge development and skills in: how to choose the right underwater camera system for your diving needs; the SEA (Shoot, Evaluate, Adjust) method for getting clear photographic shots quickly; the three primary principles for good underwater photos; primary skills in photo image editing. Pre-requisite SPRC 310 or instructor permission.

SPRC 315 - Underwater Navigator: (1 credit) The Underwater Navigator course provides knowledge development and skills in: navigation patterns; natural navigation (without a compass); compass navigation; how to “mark” or relocate a submerged object or position from the surface; underwater map making; how to follow irregular courses with a navigation plotter; dive site relocation; how to estimate distance underwater. Pre-requisite SPRC 310 or instructor permission.

SPRC 316 - Enriched Air Diver: (1 credit) The Enriched Air Diver course provides knowledge development and skills in: techniques for getting more dive time by using enriched air nitrox; enriched air scuba diving equipment considerations; enriched air considerations, including managing oxygen exposure, how to analyze what’s in your scuba tank and how to set your dive computer. Pre-requisite SPRC 310 or instructor permission.

SPRC 320 - 1st Aid/CPR: (1 credit) The Emergency First Response courses encompasses: CPR courses for adults, children and infants; First Aid for adults, children and infants; and Automated External Defibrillator (AED) training.

SPRC 401 - Rescue Diver: (1 credit) The Rescue Diver Course: Building upon skills already learned, this course expands on previous knowledge about how to prevent problems and how to manage them if they occur. Training will include: self rescue; recognizing and managing stress in other divers; emergency management and equipment; rescuing panicked divers; rescuing unresponsive divers. Pre-requisite: SPRC 310 and co/pre-requisite SPRC 320

SPRC 420 - Dive Master: (2 credits) The Dive Master Course teaches dive leadership skills through both classroom and independent study. Students complete water skills and stamina exercises, as well as training exercises that stretch the ability to organize and solve problems as well as help others improve their scuba diving skills. Students put this knowledge into action through a structured internship or series of practical training exercises. Pre-requisite: SPRC 401

SPRC 430 - Emergency 1st Aid Response Instructor: (1 credit) In this course, students gain experience in how to structure learning; the requirements of performance-based training; and the role of the instructor in the learning environment for teaching CPR and first aid. Students also learn how to motivate students; evaluate student knowledge; present course content effectively; become proficient in developing students' hands-on skills practice sessions; and are taught how to present an effective scenario-based learning experience. Students also learn how to conduct the Emergency First Response Primary Care (CPR) and Emergency First Response Secondary Care (first aid) courses as well as how to conduct the recommended Automated External Defibrillator (AED), emergency oxygen and conscious choking management skills. Pre-requisite: SPRC 320 and co/pre-requisite SPRC 420

STDY 101 - Research and Study Skills: This course is designed to develop the academic skills of college students. Emphasis is placed on learning organized study techniques, comprehension of reading materials, note-taking procedures, and examination skills. Students are also introduced to the library and learn basic research skills including the use of the Internet.

STDY 301 - Research Methods: This course is a concentrated course in research methods; it covers the basics of research, types of information, source evaluation, research paper structure, citations and formatting. Individual and group assignments are major components of the course.
